#### Description

A view tower of the meandering Odra River, specifically in the part Zabełków-Chałupki. A steel-wooden structure on concrete foundations with covered shelter. Tower height: 27 m. Number of floors: 4

#### Accessibility

---

##### Entrance

- ❖ The building is not accessible for people with disabilities.
- ❖ There is not any other access to the tower than the stairs.

---

##### Interior premises

- ❖ The interior of the tower is not accessible for disabled people (stairs).

---

##### Exterior premises

- ❖ There are some barriers, the surface is neither solid nor flat.
- ❖ The path width is less than 150 cm.
- ❖ The route is not levelled (longitudinal slope of more than 6%) and complicates movement in a wheelchair or a pram.
- ❖ There are information boards in Polish and Czech that are easy to read and understand.
- ❖ There are resting places for sitting on the route.

A view from the tower

---

### Accessible toilet

---

- ❖ The toilet (also for the disabled) is located at the end of the educational path, about 3.0 km from the lookout tower at Łąkowa Street in Chałupki, to which a bicycle path leads directly.

---

### Services and equipment

---

- ❖ A visit is possible without prior reservation.
- ❖ Guide and registered support dogs are permitted entry.
- ❖ There is a resting place, a bike stand, a bench with a table.
