Description

The centre of Koniaków lace is an interesting, modern and accessible place for every age group and represents the history of a more than 120-year old tradition. The exhibition includes an exposition of tablecloths and examples of traditional products from Koniaków lace and presents its development or creation of new forms. The centre carries out educational and cultural activities, organizes numerous workshops, exhibitions, competitions and other events. There is also a small shop with folk art.
