Description

In the museum you can admire a wonderful collection of sea and river specimens caught by shipwrecker Erwin Pasterny, originally from Jaworze, and hear interesting stories about them. In addition, you can admire numerous aquariums with a total volume of 10,000 liters. The museum also displays natural themed documentaries.

Accessibility

Entrance

- ❖ The pavement to the entrance to the museum is wheelchair accessible, min. 150 cm wide, firm and level surface (no defects).
- ❖ The entrance to the museum is wheelchair accessible.
- ❖ The area in front of the entrance is min. 150x150 cm.
- ❖ The entrance door is wider than 80 cm and the threshold is less than 2 cm.

Interior premises

- ❖ The pathways in the building are min. 120 cm wide.
- ❖ The doors and passages are min. 80 cm wide.
- ❖ The surface of the pathways is firm and non-slippery.

- ❖ The thresholds / stairs on the paths are not more than 2 cm high.
