Description

Miniature Park is a beautiful large garden (20,000 m²) with 18 miniatures of the most famous sacral buildings in the world, such as St. Mark Basilica in Venice, the Cathedral and the Leaning Tower of Pisa, Notre Dame Cathedral in Paris, Wawel Cathedral in Krakow and many more. All miniatures were created on the same scale (1:25) with all the details. The park is part of the complex Dwór Olszowa (Farm Olszowa), where is also a restaurant, accommodation and attractions for children - a playroom (Fairy Tale Orchard) and an outdoor rope park for children aged 3 to 13.

The Miniature Park is open from April to October. Individual tour, no guide. Guided tours are available for groups upon a prior agreement.
